

KENYA HEALTH FINANCING STRATEGY 2020–2030

Goal: ensure adequacy, efficiency, and fairness of health services in a manner that guarantees all Kenyans access to the essential high quality health services that they will require.

Context

Why Kenya needs a health financing strategy?

- To ensure the provision of adequate safety-net mechanisms for the poor and vulnerable as the country works towards achieving UHC.
- Strengthen health systems and attaining the highest possible standards of health for all Kenyans, as enshrined in the Article 43A of the Constitution of Kenya.

Targets by 2030

Implementation Timeline
